Varsity Girls Basketball

Many of you have seen and heard Coach Gipprich on the basketball court as the boys basketball JV coach. Coach Gipprich is a Greenville alumni and this year he is changing roles and becoming the varsity girls basketball coach here at Greenville. The department welcomes him into this new role and we are looking forward to seeing where his leadership will take the girls basketball program. *Coach Gipprich*

Varsity Cheerleading

Greenville is excited to announce the addition of Greenville Alumni Taylor Lagace and Erica Hamilton as the Cheerleading Coaching staff this winter. Coach Lagace will be taking over as varsity coach with Coach Hamilton Assisting. The athletic department is excited to have them on staff and knows they will lead the program to a bright future as a competitive team.

The 2018-2019 Varsity Cheerleading Squad is excited to have a total of 17 lady spartans as we enter the season. The Squad is being lead by captains Hailey Mason, (Senior) 2nd year returner, and Nicole Bowden, (Junior) 3rd year returner. We are lucky to have Greenville's Foreign Exchange Student, Rafaela Boechat from Brazil, as a very special addition to the squad. Emily Connolly, (Junior) has also been a key leader of the team as she guides our 9 new members into the season. Our strengths this year include a passion and fire that the ladies have demonstrated since stepping onto the mat for the first time this year. The squad is a very dynamic and flexible group that works well individually and as a team. Greenville's Cheer Squad's goal is to perform at two competitions and host the First Annual Greenville Cheerleading Classic. Whether you find our ladies on the mat, in the air, or on the court, they will prove to be the new faces of Greenville Cheerleading. *Coach Lagace*

Varsity Boys Volleyball

Match day. November 26th marks the day of our first match of the 2018-2019 volleyball season. Over the last three weeks, twelve young men have worked hard to establish a team mentality for the coming season. The student athletes have honed their skills, realized the essentials to becoming a team, and have developed into "Ohana", a family. We are all looking forward to the possibilities this new season brings us, and we will work hard on offense and defense to play exciting volleyball. With eight returning varsity players, and four players who played at the modified level last year, there will be many years of experience on the court at all times, and they hope to show us their finest throughout the season.
