October 29, 2018

As the month of October draws to a close, the children are very excited about celebrating Halloween. Many families had a jump start to their Halloween celebrating at the PTA Trunk or Treat event on Friday, October 26<sup>th</sup>. Children and their families visited festively decorated cars parked in the south lot, and received candy at each trunk display. Classrooms joined in the fun by decorating pumpkins during the week. Pumpkins contest winners are pictured above. Visitors also enjoyed apples, donuts and cider in the cafeteria. A huge thank you goes out to the PTA for this fun, annual event. Many folks made this event possible and I wish to say thank you to all for your participation and donations.

Students in Kindergarten and 5<sup>th</sup> grade went on field trips to the Huyck Preserve in Rensselaerville this past week. This week we are looking forward to grades 3-5 Family Science Night on Thursday and children in grades 3 and 4 will be attending a play at the high school this Friday.

Next week, children will not attend school on Tuesday, November 6<sup>th</sup> because staff will be participating in a Superintendent Conference Day. On Friday, November 9<sup>th</sup>, the district will participate in a lockdown drill, and students will be dismissed to go home at 2:10 pm, 15 minutes early.

A presentation titled "Living in the Digital Age: Technology & Families" will be held November 14<sup>th</sup> from 5:30-8:30 pm in the high school auditorium for all GCS families. Families that attend this technology presentation will be provided with a free dinner (thanks to the Ellis PTA) and a chance to see students' technology in action! There will also be door prizes provided by the MS/HS PTSA and GCS.

Sincerely,

Erin DuBois  
Interim Principal
