

GREENVILLE MIDDLE SCHOOL MORNING ANNOUNCEMENTS

May 18, 2012 - "A" Day

The Wise Choice of the day is: Choose quality over quantity: I choose quality of life over quantity of things like money and possessions. I know that success is much more than making money.

Sports: Any student interested in joining the Greenville Youth soccer league can pick up a registration form during gym class. Registration dates are May 19th and 21st.

Extra Help:

On Monday, May 21st, there will be a combined MS Student council National Junior Honor Society meeting after school in room 5. Please try and attend as we will be discussing our anti bullying plans. See Mrs. Fisher if you can not make it.

The final day to return spring portraits or money is Thursday, May 24th.

Students we encourage you to complete a **yellow** link of kindness for the good thing(s) that someone did for you this week. Our goal is to have at least 300 links a month with a grand 2,700 links by the end of May.
