

*The Middle School*

***2011-2012 School Supply Sale!***

The Middle School has comparison shopped the school supplies for next year and by ordering in bulk, we can get the supplies very reasonably. We also thought this would be more convenient for families instead of shopping all over Albany. Attached is the supply list for next year. The prices below are for all the items on the attached list. Dictionaries and calculators are available for an additional fee and can be ordered below. We are asking families to pre-pay for this package since we need to pay in advance. If you are interested in purchasing the supply pack please complete and return the form below with a check made payable to Greenville Middle School to the Middle School office (P.O. Box 129, Greenville, NY 12083) no later than Monday, June 20th. We will be faxing the orders the next morning. All orders will be picked up August 31<sup>st</sup> and September 1st from 10:00 – 2:00 at the middle school. We hope this process will be helpful to families.
