Dear: Greenville School Community

Our SADD Chapter (Students Against Destructive Decisions) is proud to announce that we are sponsoring a **'Parents and Faculty Night Out'** fundraising dinner event at Anthony's Banquet Hall on Saturday, March 24th. The purpose of this event is to promote our message of sound decision making, while enjoying an incredible buffet dinner, music, dancing, and a silent auction. We are asking for your support at an admission cost of \$30.00. We would love for you to attend our event to support our Greenville student community.

Many of our members have personal connections and reasons why they have joined our club. As prom season approaches the work of the Greenville chapter of SADD is more important than ever. Let's join together as a community to show our students we care about their safety and the importance of after prom events. To help make this event available to as many people as possible, childcare is available the night of the event. Under the supervision of GCS staff, Greenville students will provide babysitting free of charge at Ellis Elementary School. We are able to provide our Greenville Community with activities such as this with your generous support.

Anthony's Banquet Hall is located right off the Thruway at Exit 21. Address: 746 Route 23B, Leeds, NY 12451
It is a beautiful establishment and serves as a wonderful place to entertain our Greenville parents, teachers, students alike. Please visit this website for more details: <http://www.anthonysbanquethall.com/>

You can purchase tickets to the event by visiting <https://www.brownpapertickets.com/event/3340731> or scanning the QR code on any event poster around the district.

Thank you so much in advance and hope to hear from you soon!

Sincerely,

Justin Peltier- SADD Advisor
